

## Figure of Blessed Don Giustino SS. Trinità

The Blessed Giustino Maria Russolillo, was born in Pianura (Naples) on January 18<sup>th</sup>, 1891. He was ordained priest in the Cathedral of Pozzuoli (Naples). His ministerial action bears the seal of the "Vocation" considered the ripest fruit of every authentic pastoral journey. Callings to priesthood and consecrated life are seen by Father Giustino as a true gift and, to implement this charisma, he founded the "Societies of Divine Vocation." During our times permeated by consumerism and relativism, his message to the calling of Holiness emanates the great light of hope in every human being. His famous quote "Become a Saint" invites us to spiritually join the Lord: "Divine Union." Our soul meets the Lord as embrace of the Holy Trinity. His life has been one of the most beautiful and fascinating pages written by a true connoisseur of the Truth. Please visit
